MedStoreInternational.com:

It is our pleasure to inform you that your website, MedStoreInternational.com, and your associated patient services center have been approved for accreditation by Pharmacy Accreditation Services, NFP. Your website, patient services center, staff and documents have been held to the quality standards that Pharmacy Accreditation Services has found to be important to the consumer.

Enclosed you will find your certificate of accreditation, use this to assure your consumers that your pharmacy follows the highest quality standard in the industry. This certificate is valid until February 1, 2013. As a member of Pharmacy Accreditation Services you may use approval logo in your advertising materials including your website. Pharmacy Accreditation Services will also be including your website along with your contact information on our website www.pharmacy-accreditation-services.org to let consumers know that you are in fact a member. If you have any questions, please do not hesitate to contact our office at (630)974-1471.

At Pharmacy Accreditation Services, we educate consumers about quality pharmacies and educate pharmacies about quality standards. We look forward to working in partnership to achieve that goal.

Sincerely,

Scott McKibbin
Executive Director
